Songs of the Psychedelic Era

C'mon all of you big strong men

Uncle Sam needs your help again

He's got himself in a terrible jam

Way down yonder in Vietnam

So put down your books and pick up a gun

We're gonna have a whole lotta' fun

..and now that famous Chorus...

And it's one, two, three

What are we fighting for?

Don't ask me, I don't give a damn

Next stop is Vietnam

And it's five, six, seven

Open up the pearly gates

Well, there ain't no time to wonder why

Whoopee! we're all gonna die

Now C'mon Wall street don't be slow

Why man, this is war au-go-go!

There's plenty good money to be made

Supplyin' the army with the tools of the trade

Just hope and pray that if they drop the bomb

They drop it on the Viet Cong

Sing the Chorus!

Now c'mon generals let's move fast

Your big chance is here at last

Now ya' can go out and get those reds

'Cause the only good Commie is one that's dead

And ya' know that peace can only be won

When we've blown 'em all to kingdom come

Sing the Chorus!

Come on mothers throughout the land

Pack your boys off to Vietnam

Come on fathers .....don't hesitate

Send your sons off before it's too late

Be the first one on your block

To have your boy come home in a box

.... and the Chorus again... louder!

When I say we'll be cool I think that you know what I mean

**F**  
We stood on a beach at sunset, do you remember when?

**C7**  
I know a beach where baby, a-it never ends

**G7** **F**  
When you've made your mind up, forever to be mine (Mm-mmm)

**C7**  
I'll pick up your hand and slowly.... blow your little mind

# LIGHT MY FIRE

You know that it would be untrue

You know that I would be a Liar

If I was to say to you

Girl, we couldn't get much higher

Come on baby, Light my fire

Come on baby, Light my fire

Try to set the night on fire

The time to hesitate is through

No time to wallow in the mire

Try now we can only Lose

And our Love become a funeral pyre

Come on baby, Light my fire

Come on baby, Light my fire

Try to set the night on fire

Try to set the night on fire

Try to set the night on fire

Try to set the night on fire

There's nothing you can do that can't be done

There's nothing you can sing that can't be sung

Nothing you can say

but you can learn how to play the game

It's easy

There's nothing you can make that can't be made

No one you can save that can't be saved

Nothing you can do

But you can learn how to be you in time

It's easy

...and the CHORUS two times!

All you need is love

All you need is love

All you need is love

Love is all you need

There's nothing you can know that isn't known

Nothing you can see that isn't shown

Nowhere you can be

That isn't where you're meant to be

It's easy

Sing the CHORUS Twice!! and finish up with...

Love is all you need...

Love is all you need...

Love is all you need...

Love is all you need...

Love is all you need...

Love is all you need...

... "She loves you yeah yeah yeah"
